### 4 ways to be more creative with your closet

- ☒ Wear something you haven't worn in a while!
- ☒ Put two pieces together that you've never paired before. Try interesting color combinations, or try monochromatic!
- ☒ Look to pinterest or your favorite influencer or TV show character for inspiration with style.
- ☒ Try a closet challenge. Wear something new with something old, or something classic with something trendy!

### My go-to outfit when I don't know what to wear:

*I have two go-to outfits when the dress code is vague, or I'm not sure what to wear:*

1. Jeans and a better than basic top.
2. A dress

*I promise, both of these are no-fail combinations. And it's always better to be over dressed than under dressed!*
